NOTES:		
1. Above unit quoted as "paint-grade" (lumber may contain minor, aesthetic imperfections).		
2. If this unit has exposure to any amount of sunlight, it is not recommended that the storm doors be weather-tight or have insulated glass. Doing this can cause heat to build up between the storm doors and entry doors and create issues with one or both sets of doors. ERVIN Architectural Products nor the Door Manufacturer will not be liable should any complications occur as a result of this setup.
