If they are not supporting: Thank you, have a great day! [end conversation]

Action: Have you completed the application and sent it in?

Y = a. Yes

N = b. No

H = c. Need help

If supporter hasn't requested their ballot yet:

We suggest that the safest way to vote will be to ask now for an absentee ballot. The law has been changed; you will not need any excuse to vote early or absentee. We think a lot of people who normally vote in person, on Election Day, will be voting absentee because of COVID concerns. It is a good idea to get your request in early so that the Board of Elections has enough time to print and manage the high number of mail-in voters. They will mail you your ballot in late September.

To request a mail-in ballot or determine your in-person location, you can go to [iwillvote.com](https://www.iwillvote.com).

Action: Do you plan to vote by Mail before November?

Y = a. Yes

D = b. Will vote EDay

E = c. Will Early Vote

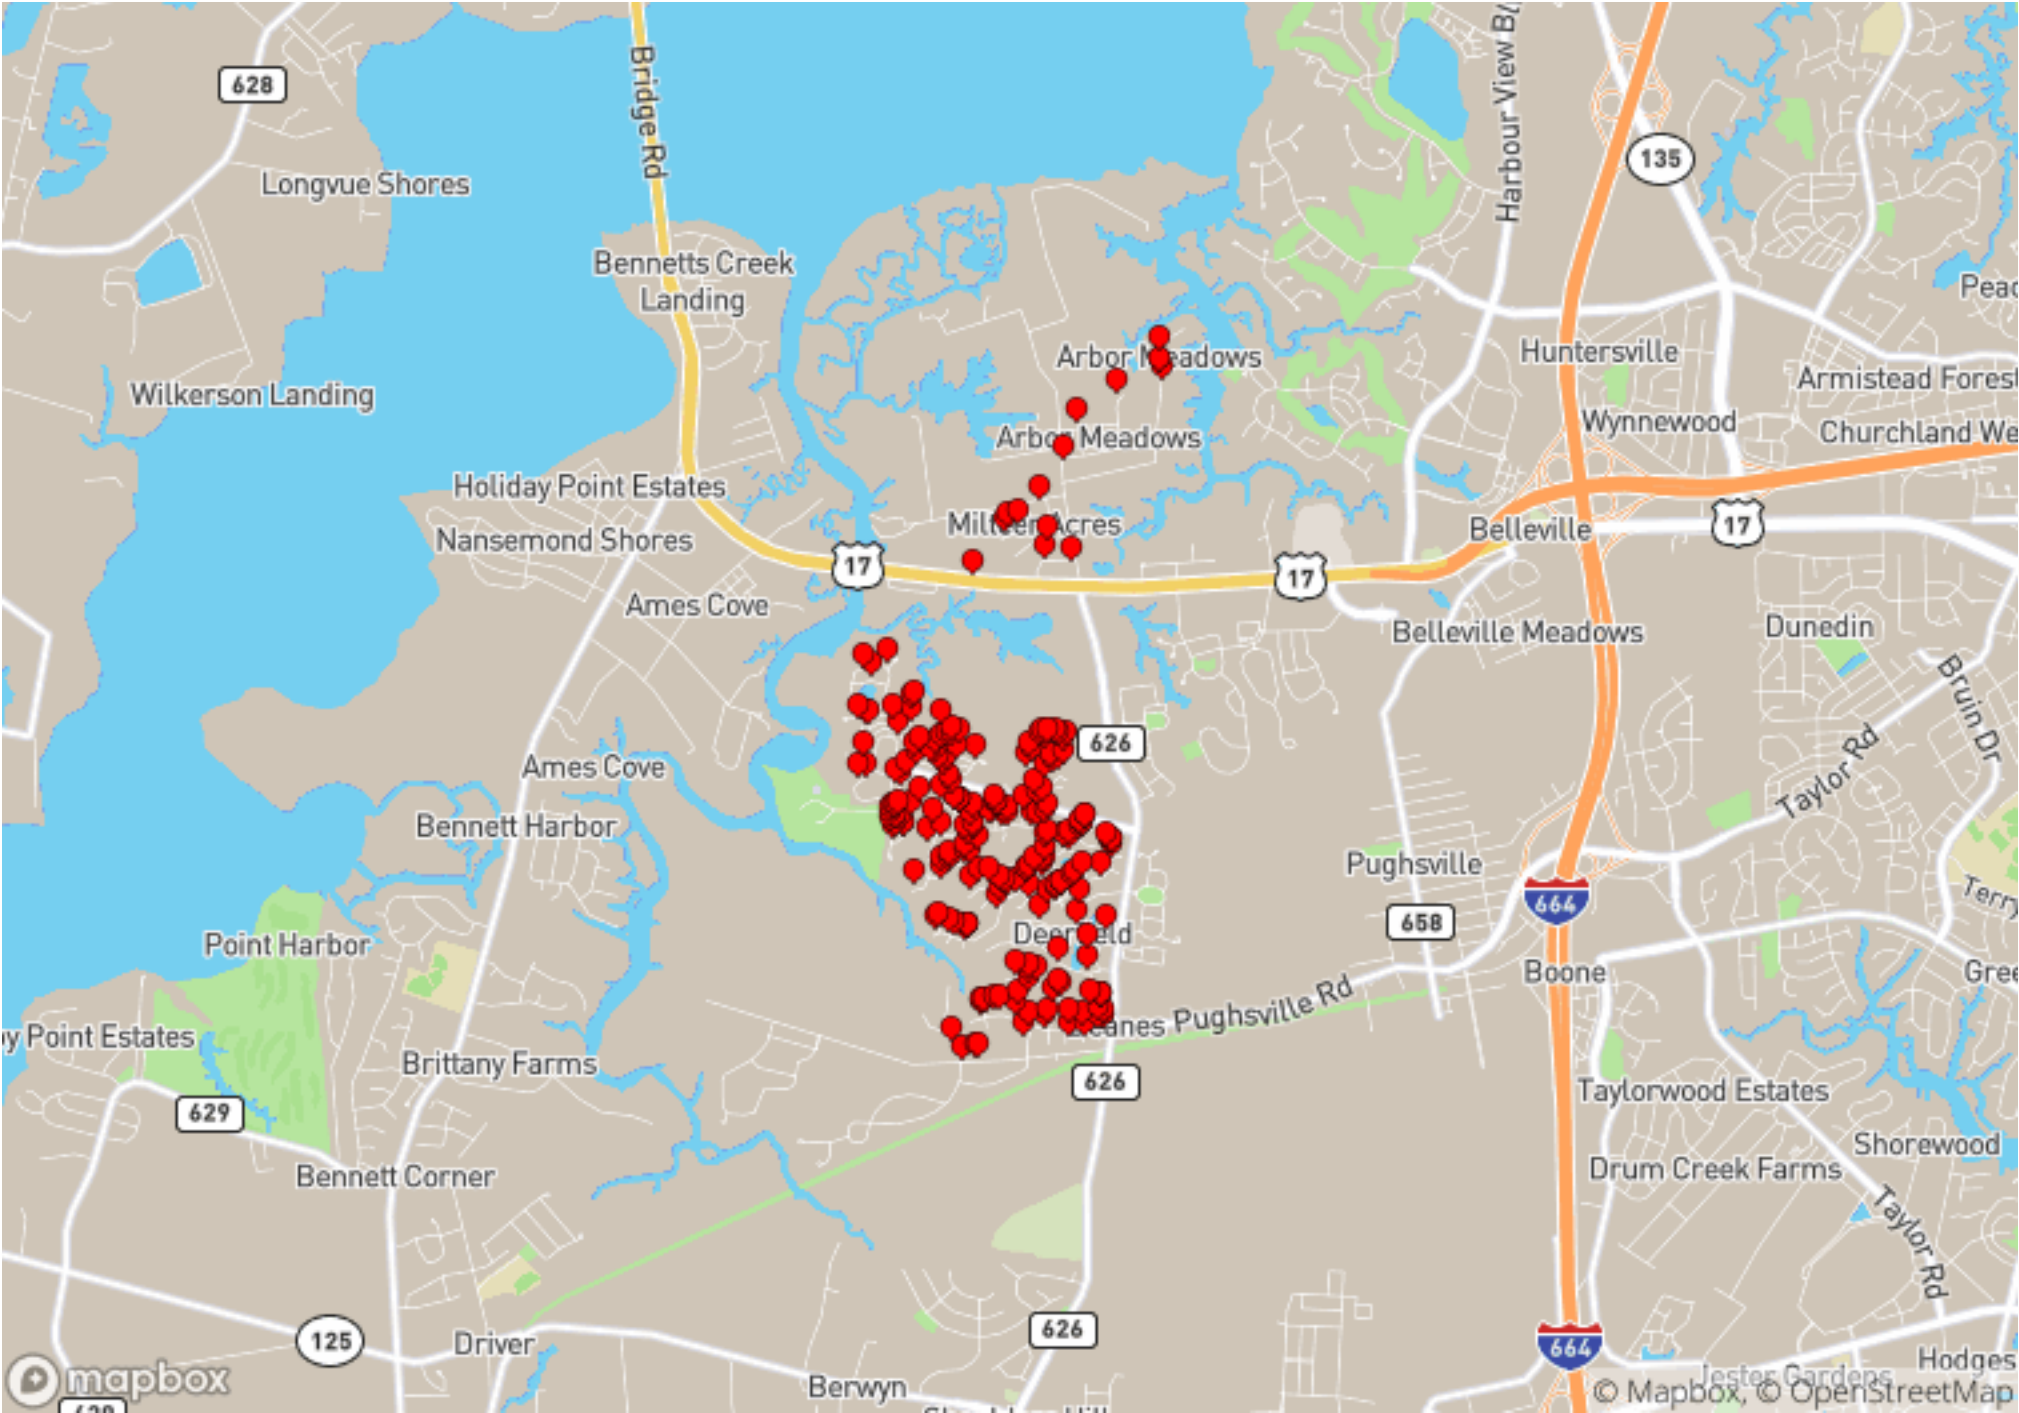

N = d. Will not vote

Action: Will you volunteer for your Local Committee?

Y = Yes

N = No

M = Maybe/Later
